Chelsy Dicristafaro & Rosslyn Funston

Last week in Toronto, over 550 young people from across all regions of Canada gathered to compete in over 40 skilled trade and technology areas at the National Skills Competitions. Our SACHS students were part of the Alberta Skills Team and we are excited to share that both Chelsy Dicristafaro and Rosslyn Funston placed 4th in their respective competitions. These young ladies are now considered the best of the best in the country earning the rank as top 4 among secondary, and in Chelsy's case, among post-secondary, students in CANADA. Congratulations both Chelsy and Rosslyn, you certainly did yourself, our school and our St. Albert community proud.
