### Sponsorships

A huge thank you to all of the businesses and families that replied to sponsoring the SACHS Awards Night, SACHS Blue and Gold Athletic Night, SACHS Fine Arts Night, and the Grad Banquet. We are currently organizing and will be sharing the amazing contributions for these events shortly. We'd love to hear from you if you have any other ideas - please contact Mr. Michael [wmichael@gsacrd.ab.ca](mailto:wmichael@gsacrd.ab.ca) - if you'd like to support any of our programs or activities at SACHS.

Trading Pokemon with Jesus - Gospel Reading Luke 6:27-38 for Sunday, February 20, 2022 (Seventh Sunday, Year C)

<https://youtu.be/tXNQtkXeFF4>

Have you ever been on the losing end of a trade where you felt like the other person got a better deal than you did? You may not like what Jesus has to say about trading with other people. Love your enemies. Pray for those who persecute you.

### COVID Update

Our first "No Mask" student week was terrific. It was very nice to see smiling faces in our hallways once again. On the first day of masks being lifted, we saw around 40% of the student body wearing them. As the week went on, we have leveled out at approximately 20% of the student population wearing masks.

### **Open House**

SACHS will be hosting an "In-Person" Open House on March 1st from 6:30-8:30. The best advertising is "word of mouth" advertising so please pass on the word about our Open House and about how the school has served your kids. We would really appreciate the kind words out in the community.

### **Registration**

Student registration is now open for new and returning students to SACHS. Returning student registrations can be accessed through the parent portal in Powerschool. It is very important for planning the 2022-2023 school year that we have all the student data in as soon as possible. Grade coaches are currently meeting with all G10 and G11 students to personally go over their course requests for next year and to look at their graduation standing.

### **Counselor Corner**

Please read the following article from MentalHealth.org in regards to human resilience and the natural reaction to an extraordinary event: [How Not To Bubble Wrap Our Kids](#)
